GAIT Candidate Code of Conduct

Thank you for your interest in the GAIT Business Program. GAIT evaluates your knowledge, skills and understanding of IT related to Database, OS, Application, Storage, Security, Network and Virtualization.

Duration of the GAIT examination is 52 minutes. You are not permitted to take breaks during that time. In case where you inevitably need to leave your seat, your examination timer will continue to count down.

The GAIT Business Program is developed by Japan Third Party Co., Ltd. ("JTP"). JTP does not delegate its decisions relating to the GAIT Business Program and is solely responsible for and retains authority over all decisions related to examination and certification, including granting, maintaining, recertifying, expanding and reducing the scope of certification, and suspending or withdrawing certification.

Any act or suspicious act of misconduct, including cheating, substituting, receiving assistance may lead to removal of the GAIT certification.

The GAIT examination is confidential and proprietary. The GAIT examination is made available to you, the examinee, solely for the purpose of becoming certified. You are expressly prohibited from saving, modifying, reproducing, distributing, transmitting, disclosing or publishing the GAIT examination, in whole or in part, in any form or by any means, verbal or written, electronic or mechanical, for any purpose, without the prior express written permission of JTP. Failure to comply with this requirement may result in the removal of the GAIT certification earned, prohibit you from taking GAIT examinations in the future, and legal actions, including prosecution for recovery of lost intellectual property and damages.
